Working conditions

The unavoidable, externally imposed conditions under which the work must be performed and which create hardship for the incumbent including the frequency and duration of occurrence of physical demands, environmental conditions, demands on one's senses and mental demands.

****Physical Demands***

The nature of physical effort leading to physical fatigue.

There are physical demands associated with this position including lifting boxes, pushing heavy book carts, climbing ladders and spending a significant amount of time standing and walking around the library.

****Environmental Conditions***

The nature of adverse environmental conditions affecting the incumbent.

The incumbent is usually the first point of contact for library users. The incumbent is located in an open area office and must spend a considerable amount of time in the library where there are constant interruptions and distractions.

****Sensory Demands***

The nature of demands depends on the incumbent's senses.

The incumbent must spend long hours in intense concentration of both a technical and an interpersonal nature. The incumbent must be especially adept at listening to and understanding others from a variety of cultural backgrounds. The incumbent must spend long hours on the computer which requires a great deal of attention to detail.

****Mental Demands***

Conditions that may lead to mental or emotional fatigue.

The incumbent is faced with mental demands stemming from the need to communicate with others on a regular and ongoing basis. Accuracy and attention to detail are essential when classifying and organizing resources to ensure accessibility to library users (students and teachers).
